To my twins, Deniz and Ege, who take me on a
journey back to my childhood and help me capture all
the colors of life...

Lazy

He is the superintendent of the House of Extremes. He sleeps a little too much, but when it comes to solving problems, no one does it better.

Chatterbox

She talks a lot. So much that her phone leaves a mark on her ear.

Lightning

She moves so fast that no one can keep up with her. She makes wonderful cakes at lightning speed!

Dreamer

He has strange ideas. He's the most colorful character in the House of Extremes.

Noisy

She plays the drums, sings songs, and does the cleaning. But sometimes this bothers the neighbors a bit.

Clumsy

He's clumsy all the time. He bumps his foot, rips his pants, hits his head, and breaks his glasses.

Grumpy

He's very irritable. He gets into all kinds of conflicts with the other tenants.

"Buzzzzzzzzzzzz!"

Lazy sat up in bed. Was that sound coming from his stomach or from the door? If it was from the door, no way he was getting up. But if it was from his stomach...!

"Garul gurul, guuuuuurrrr"

The sound didn't really resemble a doorbell. It must have been Lazy's stomach shouting, "Where's the food around here?"

He went to the kitchen and opened the fridge door. It was completely empty! He hadn't gone shopping in weeks.

YAPILACAKLAR

Lazy was always sleeping...

A little on the two-seater sofa,

a little on the three-seater,

on the living room rug,

on the doormat in the hall,

on the kitchen table,

he even sometimes
nodded off standing up!
