Its us again

Just because we look mean and scary...

and smell a bit

or just because we're loud...

Do you really think that we're not kind?

According to a last minute information that I received, we actually are monsters.

But have you ever asked us what kind of monsters we are?

We are also very friendly.

We always look into each others eyes and smile.

We always say a cheerful hello!

We always ask each other how we're doing.

One hour later...
