It is not obligatory to carry a banderol within the framework of the 2nd paragraph of the 5th article of the regulation on the procedures and principlesregarding the banderol application. It is exempt from VAT.

This diaper doesn't feel comfortable anymore. I can't sit with a poopy bum.

These days my mommy is always talking about the toilet.
"If you need to pee or poop, tell me," she says.

In fact, even before I say anything she takes me to the the bathroom.
It's funny, she sits me on this place that's kind of like a chair.

But wait a minute, my bum isn't touching anything. It's good my mommy holds my hands. She puts a little foot stool under my feet. It's like my feet are touching the floor.

At the toilet, my mommy makes silly noises:

"PSSSS! PSSSS! PSSSS!"

That's fine Mommy, but I just went in my diaper. I don't need to go now.

"PSSSS! PSSSS! PSSSS!"
